## experience

---

### Graphic Designer

TriComB2B  
June 2018–Present

Tasks include working both independently and collaboratively to develop creative strategies and design apps, website pages, booth designs, animated social media graphics and more.

### Graphic Design Intern

DonorDrive  
May 2018

Was chosen for a month-long internship program where I designed and hand-painted two large-scale wall murals, photographed images for the company's website and assisted with creative strategy and website design.

### Design + Social Media Intern

SICSA Pet Adoption Center  
August 2016–June 2017

Tasks included working independently to create brochures, fliers and other graphics for social media posts.

### Graphic Design + Web Design Intern

The Dayton Council on World Affairs  
June 2017–August 2017

Worked independently to create a new identity set, website, brochures, stationery and signage.

### Various Freelance Graphic Design + Photography

June 2015–Present

Worked on projects including logo design, package design, web design, wedding and portrait photography and more.
