Season's Greetings

WITH LOVE FROM:

THE OREGON DISTRICT

When you visit the vibrant heart of Dayton, you'll walk past great architecture and landscaping in a residential area dating back to 1826 ... and straight into the liveliest scene in the city, day and night teeming with exciting bars and restaurants, unique shopping, theaters and an avant-garde movie house, and a booming music scene.

Happy Holidays

FROM CARILLON HISTORICAL PARK

Stroll from museum to museum as chimes ring overhead and see the inventions, industries and people who put Dayton on the map. Plus a National Historical Landmark: the Wright Brother's original III Flyer, the first practical flying machine.
